

FREE NURSERIES MEASURE

Objective of the measure

The objective of the measure is to contribute to reducing the cost of attendance at public or private nurseries and micro-nurseries, in agreement with the local municipality.

The contribution is paid directly to the participating municipalities that are listed in the attachment published on the Lombardy Region website at the link:

Eligibility

Family units (couples or single parents, including adoptive and foster parents). In particular, at the date of submission of the individual application, the families must meet the following requirements:

- Having children aged between 0 and 3 years enrolled in public and/or private nursery and micro-nursery facilities of the municipalities participating in the Free Nurseries Measure - Bonus 2022-2023.
- Having an "Equivalent Economic Situation Indicator" (ISEE) - ordinary, current or minor in 2022 (in the event that the municipality requires it for the application of fees) - less than or equal to €20,000.00;
- Monthly fees payable by the parents exceeding €272.72.

Type and characteristics of the assistance

The measure provides a contribution for families to cover monthly fees exceeding the amount of €272.72 reimbursable by the National Social Security Institution (INPS).

How to use the assistance

The families must submit an application for the Free Nurseries Measure 2022-2023 exclusively via the "Bandi Online" platform at www.bandi.servizirl.it **from 17/10/2022 to 11/11/2022**.
