

# **HOUSING SUPPORT INTERVENTIONS FOR SEPARATED OR DIVORCED PARENTS IN CONDITIONS OF ECONOMIC DISTRESS**

## **Objective of the measure**

To provide support for separated or divorced parents with children, in particular with minor, disabled or adult dependent children, through an economic contribution aimed at reducing the costs of annual rent for properties used as their own home and/or for housing emergency.

## **Eligibility**

Parents with a marital status of separated or divorced, with the separation having occurred in the 2 years preceding the date of submission of the application, resident in the Lombardy Region for at least 5 years, with children born or adopted with the separated spouse or ex-spouse, holders of a duly registered lease or a temporary housing emergency contract, with a valid "Equivalent Economic Situation Indicator" (ISEE) of less than or equal to €30,000.

## **Type and characteristics of the assistance**

Economic contribution for the reduction of the cost of annual rent for properties used as a home and/or for emergency housing. The amount of the contribution is equal to 40% of the costs incurred:

- Up to a maximum of €2,500.00 in the case of a controlled/agreed fee;
- Up to a maximum of €3,500.00 for emergency housing or in the case of rent at market prices.

## **How to use the assistance**

The application form must be submitted exclusively online on the "Bandi Online" information platform at [www.bandiservizi.it](http://www.bandiservizi.it), until funds run out.
